SACRAMENTO AREA MODELERS

PYLON RACING WORKSHOP

All this, at absolutely NO cost to you!!!

Electric, Gas, and Glow planes are all allowed.
If you can fly it safely, *bring it!*
Anything from Trainers, Foamies, to advanced
Warbirds — it's your workshop!

The only requirements are:

- Must have current AMA
- Bring your own RC airplane
- Must be able to take off, fly, and land
- You do not need to be a Sacramento Area Modelers club member. Non-members are welcome.

March 8, 2025

9:00 am to 12:00 pm

Bring any airplane you
would like to race.

We will work with you
individually to learn:

Safety

Race Procedures

Race Matrix

Race Rules

How to effectively get
around the racecourse

Guided mentorship

every step of the way —
culminating in an actual
race!
