Enjoy one last hurrah of exiting racing competition with good friends, before Winter & the Building Season take over.

With entries limited to Silver and Bronze classes (No Gold), pilots have a rare opportunity to test their skills against many of the best pilots often found outside of their "usual" competitive group.

Prove you have what it takes to take home the cash, the awards, & earn *major* bragging rights, in our only *Elimination-style*, 1-day race event of the season.
